

EVERFI

Quick Start Guide

Registering Your Account

- Go to everfi.com/login and click “Sign Up” in the top right corner.
- Enter your school code (_____), select “I am a Teacher,” fill in remaining fields, and click “Finished!”
- Click “Get Started” to access your program.

Setting up Class Codes

- Click “Classes,” then select “Create Class Code.” Enter a name and a description for each class in which you will be using the program.
- Codes will be automatically generated and emailed to you.
- Your students will use these class codes to register.

Student Self Registration

- Direct students to visit everfi.com/login and click “Sign Up” in the top right corner.
- Have students enter the class code you created, select “I am a Student,” fill in the remaining fields, and click “Finished!”
- If students will be using more than one EverFi platform, have them click “Add Course” and enter the respective class code.
